

Antony Green

**Chair of Real Estate ANZ
Macquarie Capital**

Antony's corporate advisory experience spans over 30 years, specialising in advising clients on real estate related transactions covering M&A, equity and debt capital markets and structured finance. With 20 years at Macquarie, Antony led the global expansion of Macquarie's real estate advisory and capital raising business – growing to a team of real estate specialists located in Australasia, UK/Europe, North America (US and Canada), Asia (HK/China, Japan, Singapore, India, Korea) and the Middle East.

Prior to joining Macquarie, Antony was with JPMorgan for more than nine years and oversaw the establishment and led its specialist real estate investment banking capability across the Asia-Pacific region (excluding Japan).

Some transaction highlights:

- AMP Real Estate on its divestment of its global real estate platform.
- Dexus Property Group on its A\$320 million acquisition of APN Property Group.
- Novion Property Group on its merger with Federation Centres to create one of Australia's leading REITs with over A\$22 billion in assets under management.
- Qualitas on its A\$355 million IPO.
- HMC Capital and HealthCo Healthcare and WellIness REIT on their combined A\$445 million capital raisings to fund the A\$1.2 billion acquisition of the Australian Healthscope private hospital portfolio.
